Serving our Community

Newcomers Welcome Club is an active, vibrant group that offers an atmosphere of friendliness, connection and good will. Over the years, we have welcomed hundreds of wonderful people to our club, no matter how long they've lived in the area.

Our purpose is to provide a network of friends, social groups, diverse activities and avenues for philanthropy and volunteering. In the spirit of helping neighbors and fellow citizens, Newcomers Welcome Club supports the community every year through local service projects and fundraising initiatives for a designated charity.

We invite anyone who would like to make new friends and participate in our social and philanthropic activities to join us.

Serving our Seniors
